It's a true pleasure to welcome you to the 97th Kimba Agricultural, Horticultural & Floricultural Show!

As we approach the remarkable 100th show milestone, this year's event marks yet another exciting step forward in our long-standing tradition. The dedication and enthusiasm of our committee have been central to creating an event that reflects the best of our community. We have carefully crafted a dynamic program that highlights all the elements that make our region truly special—our close-knit community, the incredible talent of our local people, the bounty of our homegrown produce, and the rich cultural traditions that define us.

This year's show promises to be a memorable one, with a fantastic mix of local exhibits, family-friendly entertainment, mouthwatering food, and a wide variety of stalls showcasing unique products and crafts. Whether you're looking to explore local agriculture, enjoy live performances, or simply wander through the many displays, there's something for everyone. We are particularly proud to place a strong emphasis on local site holders and community involvement, ensuring that this year's show reflects the spirit and resilience of Kimba and the incredible people who call it home.

As always, our show is made possible by the hard work and commitment of our volunteers, sponsors, and local businesses. Their ongoing support is what allows us to continually improve and expand the event each year, bringing new experiences while maintaining the charm and traditions that have made the Kimba Show a beloved part of our calendar. It is their collective effort that ensures the continued success of our show, and for that, we are incredibly grateful.

Whether you're a long-time attendee or a first-time visitor, we invite you to join us in celebrating this special event. Together, let's make the 97th Kimba Show one for the books—celebrating our shared pride, passion, and the unique qualities that make Kimba such a wonderful place to live.

We look forward to welcoming you and sharing in the excitement of this year's show!

See you there!
